Consultant Profile

Name: **Crister Blixt**
Company: **CAOLIT AB**
Mail: **crister.blixt@caolit.se**
Telephone: **+46(0)700-917005**
Year of birth: 1963
Education: Master of science, industrial environment, LUTH Luleå Tekniska Universitet
Languages: Swedish (mother tongue), English

Work summary

Sixteen years of experience in SAP, fourteen years as a SAP consultant with focus on warehouse, logistic execution, purchasing, sales and integration with external systems. Worked as a consultant in a wide range of areas, Throughout the years I have gained experience and an understanding of the magnitude of a “system implementation project” including everything from system setup to monitoring the economy. Some of my strengths as a consultant are characteristics such as listening, understanding the business as well as the systems, and be able to switch between them, analytical ability and calmness. Branch experience in wholesale, manufacturing, pharmaceutical, chemical industry, industrial process and defense industry contributes to my broad experience.

SAP competence

Project management: two new implementation projects, four “roll-out projects” and several smaller logistics projects.

Application consultant: fourteen new implementation project, nine roll-out project and five upgrade project and one company split project. Warehouse management (WM), Logistic execution (LE), Material management (MM), Sales and Distribution (SD), Integration (EDI related to SD, MM, LE, WM, PP), Mobile device warehouse (LE-MOB), Integration with external warehouse system, freight document system and production system (OPC), Authorization, Solution manager, Environment Health and Safety (EH&S)

Experience of projects in the following countries: Sweden, Finland, Norway, Denmark, England, Ireland, Germany, Spain, Portugal, Holland, Belgium, Poland and France.

Completed SAP projects

Aventis
